

# GlobeCom 2012 Webinar

---

This is a video capture (courtesy of Jolie MacFie of [ISOC](#)) of the [Webinar](#) I did on August 9<sup>th</sup> 2012 in preparation for the [GlobeCom 2012](#). This video will be replaced with the official IEEE version when it is available.

## The Grand Debate: The Internet vs. Telecom

### Tutorial: The Internet as a New Paradigm

*What I've learned in my first half century of digital living and hope to learn in the next.*

13:30-16:30 Monday December 3, 2012  
16:00-18:00 Tuesday, December 4, 2012
